## LANDSCAPE ARCHITECT | DIRECTOR OF TERRAIN HOUSTON

LOCATION: HOUSTON, TEXAS

### DESCRIPTION

Terrain Studio, Landscape Architecture, Planning and Urbanism with offices in Houston, Oakland and Shanghai is seeking a Director to lead our Houston office. A professional with a commitment to design excellence and award-winning built environments. A person with integrity and ambition looking for the challenge and opportunity to shape and grow an office and with success, evolve into a Partnership position. A person seeking a professional home to explore ideas that result in artful and sustainable built environments. Terrain Studio offers excellent benefit and competitive compensation commensurate with experience.

### SKILLS / EXPERIENCE

The ideal candidate will have:

- +/- 10 years of professional experience
- Demonstrated success in leading teams, managing and mentoring others
- Entrepreneurial spirit, initiative and acumen for business development and marketing
- Employment history in a design-driven studio environment
- Experience in contributing to collaborative project teams that produce exemplary work
- Demonstrated physical design and technical skills
- Proficiency with AutoCAD, Adobe Creative Suite and MS Office
- Familiarity modeling programs
- Professional licensure preferred but not required
- Ability and interest to travel domestically and internationally

### EDUCATION

BLA or MLA Degree from an accredited Landscape Architecture program
